

Project Argus Station Status Survey
Ed Cole, AL7EB
SETI League VolCor for Alaska

A review of the over one-hundred SETI-League Project Argus Stations, world-wide. Statistics and maps showing activity and capabilities (especially highlighting area of sky survey ad frequency for each station). Part of the newly instituted Project Argus Status Reporting System. A ten-year update on where Project Argus stands. Supplement to the survey of members done in 2000.
